

Motions passed at Coombs meeting, May 27, 2012

We had a short meeting after our race and it was mostly informative on upcoming races (needing extra help etc...) fundraising, VIEX & reminders on set up/take down.... We had two motions made and voted on and effective immediately

1. Kelsey Noble made a motion w/ Leslie Beckford seconding that Time Only's are moved to immediately after the race when the arena is already worked, barrels up etc... after a brief discussion it was voted on and passed with 10 in favour & 1 against (I didn't vote as president)
2. Teresa made a motion w/ Kelsey seconding that whoever sells the most raffle tickets would have their finals entries paid (for one horse) as an incentive. This was passed by everyone and sparked a great interest in getting more books of tickets off of Teresa.
